Summary:

Mr. Holton is a jack-of-all-trades and an optimist-at-heart. Très has twenty years of professional success (and failures) from which to draw inspiration and wisdom. He adapts and excels within both independent and collaborative team-oriented environments. Très is planning to complete his Space Studies thesis in Q1 or Q2 of 2023.

Work Experience:

The Holton Group LLC

Entrepreneur, July 2007 to Present

Sole Proprietor of governmental and public relations firm specializing in aerospace, land-use, infrastructure, grant writing, media concept to production, political campaign management and bill drafting. Often supervised individuals and teams of ten to twenty volunteers or professionals for special projects.

The Astronauts Memorial Foundation

at Kennedy Space Center, Florida

Special Projects Coordinator, August 2012 to April 2022

As a multidimensional consultant, Holton's duties included, however were not limited to: event management, clerical, public relations, audiovisual, fundraising, e-commerce, education, budgeting, as well as recruitment and training.

Florida Senate

Legislative Assistant, November 2010 to April 2012

Provided support services to State Senator and constituents. Presented legislative bills and appropriations before Senate committees. Trained interns and ameliorated district public relations policies and procedures.

Education:

- **Master of Science** in Space Studies
American Public University, Charles Town, West Virginia
